It's official "PLIMP " is the man ! " That's Mr. Gary Plimpton to the rest of you.

Elections have been held and finalized and Gary will be our president for 2009 and lead us into the construction stage of our new building. . Anita Bedwell (a.k.a COUNCILWOMAN) will be our vice -president, Tim (THE BANKER) Reid will be our treasurer, Me..... "scoop" Moran as your secretary. Allan Ross and Bob Sisson as board members.

Rumor has it that Jerry (POWER OUTAGE) Mills has been seen hanging out at board meetings recently and may be coming back on the board to fill Tim Reid's remaining one year term.....Hey Jerry.....when you are the secretary then you can write these things! Ha ha

I would be remiss if I didn't mention two board members who are leaving their current roles.

Phillip Higginbotham will roll to past president
And Bobby DALE Welch will be leaving his position as vice president.

Both will be remembered

For their hard work, dedication and efforts to construct our new office building..

Latest on Building plans

Phillip and Anita have both met with Pat Sherman(architect) and are happy to report that things are progressing nicely. Several small changes had to be made to the floor plan and building elevations but everything is looking good. We hope to have some plans available at the Christmas Party.....come on by and check them out.

Construction loan bids were presented, , represented and opened at our last Board meeting.. Several banks as well as The Teachers Credit Union were present. Low bid was awarded to The Teachers Credit Union.
