GOLF TOURNAMENT IS ANOTHER SUCCESS

Outside of a little late afternoon thunderstorm, I think we could all agree that this year's event was a giant success. I'll be the first to say that I truly like the idea of having one single tee time. I had the opportunity to see people that I don't see that often and I think it was a good time for all. If you happen to see Tim at Metro Bank in Southside then please give him any feedback about the tournament (both good or bad). This is your tournament and we want everyone to have an enjoyable time. I would also encourage you to thank Tim for the hard work he put into this event. Tim makes this

event look easy but anyone who has ever organized a tournament (and I have) can certainly testify to the hard work and time that it takes. I will attempt to name some of the players who had outstanding days. The team from J.R. Lumber , Luke Seawright, T J Butts, Matthew Sanders and Carl Jones were our overall winners. Some of our long ball hitters were, Tim (John Daly) Carter, Jackson (Tiger Woods) King and Laura (Laura Davies) Lankford. Congratulations to all ! We should also take a moment to give a big "Thank You " to Jason and the staff at Silver lakes, Bob Swann and his group at NES Rentals for

the wonderful lunch, and our local women's council for their hard work.

I also want to thank all those in our community that gave door prizes. Each off you help us in so many ways and for that we are truly thankful.

EXECUTIVE OFFICER POSITION

JOHN WESLEY FOSTER FOUNDATION

MEMBERSHIP DRIVE GENERATES 11 MEMBERS

Have you ever taken a moment to ask yourself what it is that you want from your local homebuilders association ? I can honestly say that I have., and although each of us may belong for different reasons, we do all have a common connection

to some type of service. Some of you are builders, some are plumbers, some are electricians, some sell insurance, etc but we all provide a service and we all try to be the best that we can be. I truly believe that being active and engaged with this

association makes me better, and it will make you better. Our recent membership drive allowed us to grow with 11 new members.Let's welcome these new members and help them learn about our association and what we are about.

During the last year, this association has had the privilege of having Sandra Patterson work as our Executive Officer and she has certainly been a tremendous asset. Anyone that has been active with this association has certainly benefited from her hard work and dedication.....I certainly know that I have. We hope to keep Sandra around but since she was originally working off of a one year contract then it is time to accept applications for this critical job in our association. Please see Phillip Higginbotham for requirements of this job. We will accept applications thru July 1st .

JOHN WESLEY FOSTER FOUNDATION GOLF TOURNAMENT

July 11/12 are the annual John Wesley Foster Foundation Memorial Classic and Benefit Dinner. John Wesley was a happy 9 year old little boy playing football in the yard with his dad when he collapsed without warning and lost his life.

Mike and Heather began their foundation as a way to raise awareness and make the community a healthy heart community. Proceeds raised will be given back to the community in the form of AED'S, screenings, sports scholarships, and CPR training.

Please see Tim Reid at Metro Bank in Southside for details.

WOMEN'S COUNCIL OFFERS SCHOLARSHIPS

Our local women's council recently provided two \$500 scholarships to worthy candidates who are attending Gadsden State. Both are studying a trade and are working hard to further their education. Sandra will be attending a meeting soon to award those.
