Gadsden's Big Give

Anyone who was present at last month's meeting understands the task that Tonya Bogle has under taken. Bogle, a physical education teacher at Gaston High School had met Josh Alldredge during school and nominated him for "Extreme Makeover" but wasn't chosen. Josh was diagnosed with Duchenne muscular dystrophy when he was 6 years old and now requires the use of a wheel chair. Tonya felt she could help in some way and soon met Trent Thrasher and others who could help build Josh a home compatible for a wheel chair. The project soon began and is nearing completion. It is located on Coats Bend Cr and is 2700 sq feet with three bedrooms and three baths. During last month's meeting, our association donated \$1000 to help with the completion of this home and Prestige Realty (Don and Jane Miles) donated \$2000 toward this very worthy effort.

WINNERS IN \$10,000 GIVE-A-WAY

It was recently brought to my attention that I failed to mention the winners in last month's \$10,000 give-a-way. (I apologize).

Jimmy Floyd and Carl Lewis were the last two men standing and split the \$10,000. Frank Holcomb won the **SPLIT-THE-POT**

Discussions are taking about utilizing our str builders association to monitor and update our website. Of course it will be linked to the state website. They have offered us a fantastic deal and it appears that many of the local associations are headed in this direction. Your thoughts ?
